

Edublogs Campus

The Ultimate blogging platform for your school, district, college, or university

Why hundreds of leading institutions have chosen Edublogs Campus...

- easily **create, manage and control blogs** for all staff and students
- choose from many different **privacy** and **security** options
- run blogs **at your own domain** – like **blogs.cornell.edu** or **uowblogs.com**
- customize with your **own designs and branding**
- receive **personal, guaranteed, enterprise level support** from our staff of experienced educators

Edublogs Campus is used to power **over half a million blogs** at hundreds of different institutions and districts around the World, including:

Edublogs Campus will save your institution a fortune...

Campus is priced to provide you with the most affordable blogging platform available on the web.

No need to pay for hosting, tech support, developers, upgrades or themes – we take care of everything for less than you would pay for just the hosting alone.
