

Getting Started

1. Go to edublogs.org and click on the "Free" green box
2. Pick a username and password.
3. It is best to use an email address if possible so that you can get email reminders should you forget your password and emails when people leave comments on your blog. If you don't have one, just leave this field blank.
4. Agree to the "Terms of Service" and click on "Go to Step 2"
5. Choose the domain for your blog – this will be the web address that people can type in to visit your blog.
6. Write down your username, password, and URL here:

My edublogs username is: _____

My edublogs password is: _____

My URL of my blog is: _____ .edublogs.org

To access my admin area of my blog, I can go to:

_____ .edublogs.org/wp-admin

Happy blogging!
